A prayer for these times:

God of love and hope,
You made the world and care for all
creation, but the world feels strange
right now.

The news is full of stories about
Coronavirus.

Some people are worried they might get
ill, others are anxious for their family and
friends.

Please be with them and help them to
find peace.

We pray for doctors, nurses and
scientists and all who are working to
discover a vaccine and right medicines
to help those who are ill.

Thank you that even in these anxious
times you are with us.

Help us to put our trust in you and keep
us safe. **Amen**
